いくつといくつで 10 になるかな。

The worksheet features ten houses arranged in two rows of five. Each house is a vertical rectangle with a triangular roof. The roof contains the number 10. The main body of the house is divided into four horizontal sections by a vertical line down the middle. The numbers in these sections are as follows:

- House 1 (top left): 6 (circled), 8, 3, 5
- House 2 (top middle-left): 4, 7, 0, 6
- House 3 (top middle-right): 9, 3, 7, 1
- House 4 (top right): 0, 4, 8, 6
- House 5 (top far right): 6, 2, 7, 4
- House 6 (bottom left): 5, 7, 3, 8
- House 7 (bottom middle-left): 6, 2, 1, 8
- House 8 (bottom middle-right): 3, 7, 5, 4
- House 9 (bottom right): 9, 0, 7, 4
- House 10 (bottom far right): 7, 2, 5, 6

Decorative elements include stars and starburst symbols. Stars are located at the top left, top right, middle left, and middle right. Starburst symbols are located below the first, second, third, fourth, sixth, seventh, and tenth houses. The legs of the fourth and eighth houses are shaded blue.
